

23 May 1963

MEMORANDUM FOR: Chief, Personnel Security Division/OS

25X1A9a

ATTENTION :

25X1A5a1

SUBJECT :

Request for Contract, Type B Security Approval

25X1A9a

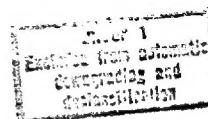

REFERENCE : TAD/ISS Memorandum dated 3 May 1963

1. It is requested that action be initiated to grant security approvals to enable the use of the above individuals as Contract employees, Type B. These individuals will be utilized under their new status in continued support of TAD/ISS's responsibility for detailed research studies pertinent to personal identity documents and postal matters on a world-wide basis. They will have access to sensitive information on a strict "Need-to-Know" basis up to and including Secret.

2. Attached are up-dated MIB forms executed by the above subject individuals. It is understood that your office has no present objection from the security standpoint to signing these employees to Type B contracts with the U.S. Government.

SUBJECT: Request for Contract, Type II Security Approval, Page 2

3. Plans for the change of status of this project pursuant to the reference are proceeding and this action should be completed within 60 to 120 days. It is contemplated that this project will be compartmentalized within the existing [redacted] leased building located at [redacted] Washington, D.C. According to the Real Estate Section, Office of Logistics, and the history of usage of the building at this address, this facility is not considered to be officially identified as an Agency building. At the time of forthcoming re-grouping of [redacted] personnel to the [redacted] complex, the remaining other inhabitants at [redacted], will include one Type I employee and several part-time Contract A12 contractors. The security plan contemplates that the Subject project will be appropriately compartmentalized within the [redacted] facility, thus they will not have access to the remaining [redacted] warehouse activity at that location. Appropriate coordination has been initiated with Cover Division in regard to the establishment of the Subject project in this new status.

4. If additional information is necessary to this request, you should contact the Undersigned on extension 2622.
